

Name _____

Understanding Weight

The marker weighs less than 10 cubes.

Word Bank
weight

Find objects like the ones shown.

Does each object weigh **more** or **less** than 10 cubes?

Circle your estimate. Then use a scale to measure.

	Estimate	Measure
1.  book	more less	more less
2.  eraser	more less	more less
3.  ruler	more less	more less
4.  box of crayons	more less	more less

Name _____

Pounds

less than 1 pound

about 1 pound

more than 1 pound

Word Bank
pound (lb)

Does it weigh more or less than 1 pound?
Write **more** or **less**.

1.

less

2.

3.

4.

5.

6.

What object would make the scale look like this? Circle the best choice.

1.
