

# Potatoes

1. Put the book pages in order with the cover on top.
2. Staple them together along the left side.
3. Color the pictures in the book.
4. Color the potato cutouts. Cut them out along the cutting lines.
5. Count the potatoes on each cutout. Glue them to the page with the matching numeral.
6. Color and cut out the French fries. Glue them to the page that says "More!"
7. Read your book. Ask a friend to count the potatoes when you read each page.
