

Name _____

Ordering Numbers with a Hundred Chart

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

1.

2.

3.

4.

Home Connection Your child identified missing numbers on a hundred chart.

Home Activity Use pages 1–99 in a book or magazine to ask your child questions such as, “What page comes before page 29? What page comes after page 63?”

Understand It! Patterns in a hundred chart can be used to order numbers.

Use a pattern in the hundred chart to find the missing number.

25	26	27	28	29
35	36	37	38	39
45	46	47	48	49
55	56		58	59
65	66	67	68	69

The numbers in a row change by 1.

1 more than 56 is 57.

25	26	27	28	29
35	36	37	38	39
45	46	47	48	49
55	56		58	59
65	66	67	68	69

Guided Practice

Write the missing numbers.

1.

1	2	3	4	5	6	7	8	9	10
11	12	13	14		16	17	18	19	20
21		23		25	26	27		29	
	32	33	34			37	38	39	
41	42			45	46		48		50
51		53	54			57	58	59	60
	62			65	66	67	68	69	70
71	72	73	74			77	78	79	80
	82		84	85	86		88	89	
91	92	93				97	98	99	100

Do you understand? What is true about the ones digit in a column on a hundred chart?

The numbers in a column change by 10.

10 more than 47 is 57.

The number is 57.

25	26	27	28	29
35	36	37	38	39
45	46	47	48	49
55	56		58	59
65	66	67	68	69

25	26	27	28	29
35	36	37	38	39
45	46	47	48	49
55	56	57	58	59
65	66	67	68	69

Independent Practice

Write the missing numbers.

2.

11		13	14
21			
	32		34
		43	

3.

65	66	67	68
75		77	78
			88
95		97	

4.

34	35		37
	45	46	
54		56	
			67

5.

	53		55
62	63		
		74	
82			

Algebra Use a hundred chart.
Identify the pattern.
Write the missing number.

6.

20, ____, 40

7.

____, 76, 77

8.

31, 41, ____

Problem Solving

Solve the problems below.

9. Andrew is playing a game. He needs to find the number in the green square. What is the number?

35		?
45		
55	56	57

10. I am the number that is between 69 and 71. Which number am I?

68

(A)

70

(B)

72

(C)

79

(D)

11.  **Journal** Jane filled in the missing number. Is her answer correct? Explain.

27	28	29
37	36	39
47	48	49
