 **Sound Matching**  
(See The Hungry Squirrel activity, page 79)

 **Silly Sally Squirrel**   
(sing to the tune of "Alouette")

Silly Sally Squirrel,  
Sitting in the sun,  
Singing lots of Ss until the day is done.  
She sings about **soup, sun, and sky.**  
Can you think of more? Let's try.

**Additional verses:** Invite students to say other words that begin with /s/ before repeating the song. Then replace the bolded words with other words that begin with /s/. For example, *She sings about sink, skate, and spy.*
