

## Group Members' Evaluation Form

Each group leader needs to rate each group member based on the work he/she did and how well the work was done. Please give this a great deal of thought. Please rate each member using the following scale: 1 for poor work to 5 for outstanding work.

Group member's name: \_\_\_\_\_

Book read: \_\_\_\_\_

1. Accepts work responsibility with a good attitude

1                      2                      3                      4                      5

2. Participates in group discussion every day

1                      2                      3                      4                      5

3. Turns in each assignment on time

1                      2                      3                      4                      5

4. Turns in quality work

1                      2                      3                      4                      5

5. Stays on task

1                      2                      3                      4                      5

Please add up the total points for all 5 questions.

Total points \_\_\_\_\_ x 5 = \_\_\_\_\_ grade
