

WOOD PLAQUE WITH PICTURE

Project: Wood Plaque with Picture (Courtesy of Diana Lucchesi, Cub Pack 122, Ann Arbor, Mich.)

Approximate Assembly Time:

3 hours

Materials Required:

Piece of wood (size varies with picture)
Sandpaper
Wood stain
Glue
Krylon spray
Hammer
Picture (could be greeting card, or original art work)
Picture hook

Instructions:

1. With hammer, pound wood to give antique effect
2. Sand all surface with sandpaper, then clean sawdust from surface
3. Stain wood and let dry completely
4. Cut picture to desired size and shape, then glue to wood
5. Spray all surfaces of wood with Krylon to give a nice coating and finish
6. Attach picture hook

(Flag-of-the-month can be used to make an attractive plaque)
