

**Project:** Tissue Paper Stained Glass Candle Holder (Courtesy of Mary Rose Wickersty, Bayonne Council, NJ)

**Materials:** Small glass or wide mouth bottle  
Different colors scrap tissue paper  
Starch  
Candle

**Instructions:** 1) Clean and remove any labels from glasses or bottles.  
2) Mix a small amount of starch with water (one part starch to two parts water).  
3) Dip one piece of tissue paper at a time into starch mixture and apply to glass/bottle. Overlap all edges until entire outside of glass/bottle is covered.  
4) Insert candle.

**NOTE:** Sand or pebbles should be placed in bottom for weight.
