

PAPER CONSTRUCTION

Peep Box

Task 39

Material: shoe box, scissors, construction paper, small twigs, spools or other objects may be used to complete this task.

Make a scene from a book you have recently read.

DIRECTIONS

1. Cut a small round hole in one end of a shoe box. Cut a larger opening in the box cover.
2. Build a scene using tag board, clay or construction paper inside of the box.
3. Place the cover on the box and look through round hole. Use imagination.
