

FIGURES AND FACES

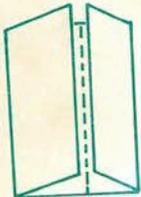

Finger Puppet

Task 109

Materials: paper

1. Fold paper in half and then open.

2. Fold both right and left edges in to meet center crease. Do not open.

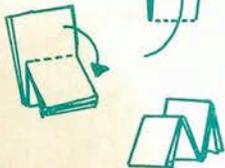

3. Fold right half over onto the left side.

4. Fold bottom edge up to top edge. You now have two separate multi-layered flaps.

5. Fold all layers of top flap down to meet bottom edge. Turn paper over and fold other flap down.

6. Slip finger into top pocket and thumb into lower pocket. Draw a face with upper lip on top flap along folded edge.
