

Favorite Colors

(sing to the tune of "Six Little Ducks")

So many crayons in the box for you,
Red ones, yellow ones, blue ones, too.
But the one little crayon that rhymes with **bean**
Is my favorite color.
It's the color **green**.

Additional verses: Replace the first bolded word with a new word that rhymes with a color word. For example, *But the one little crayon that rhymes with **shoe** is my favorite color. It's the color **blue**.*
