

Home Learning Activities for Fall

Date

Dear Parents,

Encourage your child to do some learning activities at home. Post these learning activities on a bulletin board or calendar at home. Let your child choose an activity. When the activity is completed, your child can color the fruit or vegetable in which the activity is described.

Teacher

Go for a walk in your neighborhood. Draw a picture of what you saw.

Find three things in your kitchen that start with the same letter as your name.

Memorize your area code and telephone number.

Take a trip to the library. Check out a book.

Memorize your address.

Draw a picture of your school.
