

Home Learning Activities for Spring

Date

Dear Parents,

Encourage your child to do some learning activities at home. Post these learning activities on a bulletin board or calendar. Let your child choose an activity. When the activity is completed, your child can color the bone in which the activity is described.

Memorize a poem.
Recite the poem
to someone in your
family.

Teacher

Write the numbers
1 to 25.

Draw a picture
of spring flowers.

Listen to a
new story.

Tell a story to
your family
after dinner.

Write five words that
rhyme with *spring*.
