

Ten Little Snowmen

(tune: Ten Little Indians)

One little ... two little ... three little snowmen
four little ... five little ... six little snowmen
seven little ... eight little ... nine little snowmen
ten little snowmen melting in the sun.

Count them ... count them ... count them with me
count them ... count them ... count them with me
count them ... count them ... count them with me
ten little snowmen melting in the sun.

One little ... two little ... three little snowmen
four little ... five little ... six little snowmen
seven little ... eight little ... nine little snowmen
ten little snowmen melting in the sun.
