

Math Number Formation Poems

Straight line down
And then we're done.
That's the way
To make a one.

Around and back
On the railroad track.
Two, two,
Two, two.

Around a tree,
Around a tree.
That's the way
To make a three.

Down and over,
Down once more.
That's the way
To make a four.

Straight line down,
Then around.
Hat on top
And five's a clown.

Stick and a hoop
Do the tricks.
That's the way
To make a six.

Across the sky
And down from heaven.
That's the way
To make a seven.

Make an S
And do not wait.
Go back up
And that's an eight.

A loop and a line
That's a nine.

Straight line down,
Then around with a grin.
That's the way
To make a ten.
