

LESSON
7•3
Frames-and-Arrows Puzzles

Each puzzle has two rules. For each puzzle, color the arrow for one rule red and color the arrow for the other rule blue. For Problems 1 through 3, figure out where to place the rules to solve the problems. You may use your calculator.

1.

2. Find another way.

3.

4. Make up a puzzle. Ask a partner to solve it.
