

Talk with the Animals

(sing to the tune of "Looby Loo")

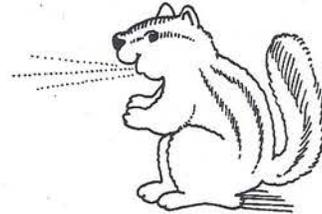

The animals like to talk
In their own special way.
The animals like to talk.
What does the **turkey** say?

Here we go **tooby, too**.
Here we go **tooby, tay**.
Here we go **tooby, too**.

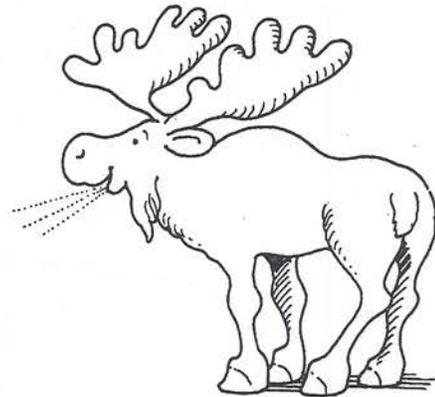

Now, what would the **chipmunk** say?

Here we go **chooby, choo**.
Here we go **chooby, chay**.
Here we go **chooby, choo**.

Now, what would the **moose** say?

Here we go **mooby, moo**.
Here we go **mooby, may**.
Here we go **mooby, moo**.
It's fun to talk this way.

Additional verses: Replace bolded words with other animals and replace the bolded sounds with the initial sound in the animal's name. For example, *Now, what would the woodpecker say? Here we go wooby, woo.*
