

The Fat Old Lady

Once there lived an old lady,
Who was extremely fat and wide;
She loved to snack on junk food,
And she never walked outside.

Every day she sat and watched TV,
And all she did was eat, eat, eat!

At 1:00 she ate a Big Mac;
At 2:30 she had some Cracker Jacks.

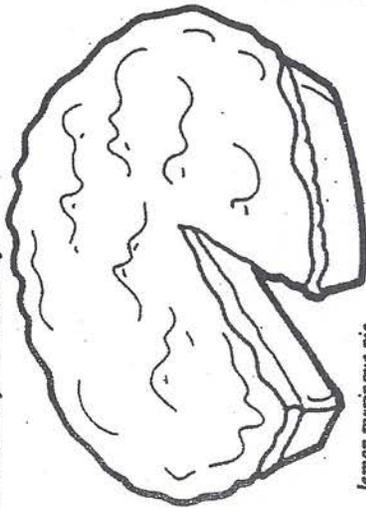

At 3:00 she ate a candy bar;
At 4:30 she had cookies from a jar.

At 5:00 she ate some French fries;
At 6:30 she had a lemon meringue pie.

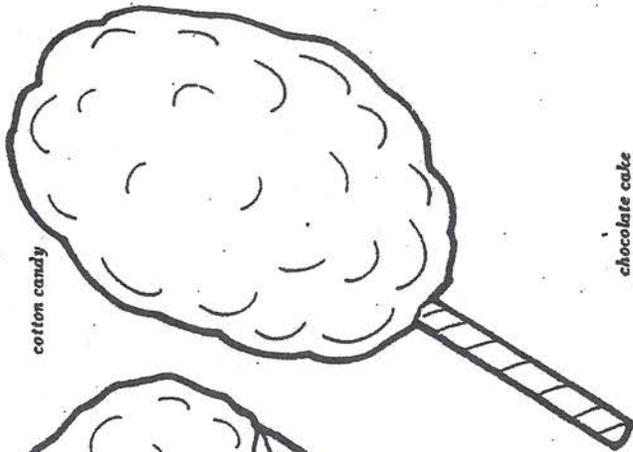

At 7:00 she ate some potato chips;
At 8:30 she had a bag of peppermint sticks.

At 9:00 she ate a hot dog on a bun;
At 10:30 she had cotton candy just for fun.

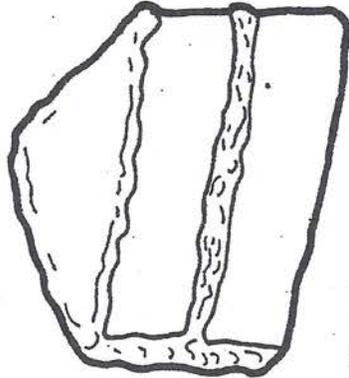

At 11:30 she ate some chocolate cake;
At 12:00 she had a **stomachache!**

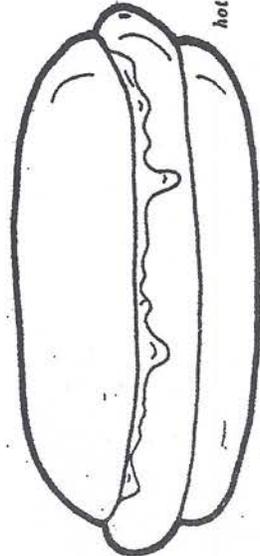

lemon meringue pie
