

EASY SUET BIRD FEEDER

Project:

Easy Suet Bird Feeder (Courtesy of Mrs. Richard F. Torry, Pack #2, Rockland, Mass.)

Materials:

2 quart saucepan
Plastic mesh produce bags
Bird seed
Paper cups
Heavy string
Suet

Instructions:

- 1) Melt suet in saucepan
- 2) Add seed when suet begins to gel
- 3) Pour into paper cups before mixture begins to harden - set aside until completely cool
- 4) Tear away cups when suet mixture is hard
- 5) Put 2 suet cones into plastic produce bag
- 6) Tie both ends of bag tightly with string
- 7) Hang outside from a tree or bush
