

PICTURE PIN

Project:

Picture Pin (Courtesy of Joan Burke, Cub Scout Pack 239, Philadelphia, PA)

Materials:

Piece of clear glass - can get from local optometrist  
Small scene from greeting card or magazine  
Piece of backing cloth or heavy paper  
Clear glue  
Pin-back

Instructions:

- 1) Spread glue on picture front
- 2) Press against glass, smoothing it as you go, allow to dry approximately 10 minutes
- 3) Glue backing to back of picture, smoothing as before and molding to the shape of the glass
- 4) Place pin face down
- 5) Bend pin-back if needed to contour to back of glass
- 6) Make certain pin-back is in correct position, then glue to backing paper
