

PROJECT: WASTE CANS FROM EGG CARTONS (Courtesy of Marie Schevrich,
Pack #19, Strasburg, PA)

MATERIALS: 8 styrofoam egg cartons (bottoms only)
9" aluminum pie pan
Yarn
Darning needle

INSTRUCTIONS: 1. Cut egg cartons in half - length wise. (You may
also use complete egg carton)
2. Lay two egg cartons side by side.
3. Tie together with yarn (about 6" pieces) at each
egg compartment. Tie yarn in bow (see illustration).
4. Continue step three with each egg carton until
one thru eight are tied together.
5. Wrap around pie pan (base of basket) and tie last
carton to first carton.
6. Spray paint (optional).
