

We can all help
to make the
earth happier,
and healthier.
What can we do?
(Lift the flap)

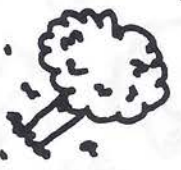

All of Us!

Cars and factories
add carbon dioxide
and pollutants to
the air we breathe.
What can we do?
(Lift the flap)

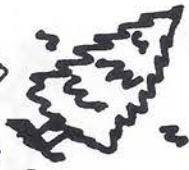

Air

Trees are homes
for animals.
Plants also make oxygen
for us to breathe.
We need to save trees
and plants.
What can we do?

Land

Water

Poisons in our garbage
can pollute the water in
oceans, in rivers, and
under the ground.
What can we do?
(Lift the flap)
