Name _____

Animals on the Move

Some animals do not make homes in any one place. They change homes every day. They are always on the move. Their home is wherever they stop to rest for the day.

Write the name of each animal under its picture.

Use the words in the Word Box.

Word Bo

eel
deer
whale
zebra
tiger
~~elephant~~

Brainwork! On the back of this paper, draw a picture of another animal that changes its home every day.

Who lives here?
