

CVC Freebie!

Practice blending CVC words by letting kids make their own words. Great engagement and accountability.

Thank you for downloading this **FREEBIE!** I promise your kids will love playing it! You can make them accountable by having them write the words (Option 1) or color the words they rolled (Option 2) on the recording sheets. I hope you can use it in your classroom or with your own kids.

**If you make the beginning and ending dice the same color like I did, it doesn't matter where you place them on the mat.*

**I included 2 extra pages where kids can try to find their words they rolled. If they find their word, they get to color it.
NOTE: there may be words they roll that are NOT on the recording sheet.*

Tips: Laminated the game board and dice.

**Put the recording sheet in protective sleeves to save paper.*

If you have any questions, concerns, ideas, or recommendations please feel free to contact me in the Q&A at my TPT store.

I'd really love to hear your feedback on this freebie! It motivates me to create more for you! Click **HERE** to do that.
