

# February

(sung to "Yankee Doodle")

In the month of February,  
I'm so very glad! Oh,  
The groundhog comes on Groundhog Day  
A-looking for his shadow!

February, what a month!  
Cold and crisp and snowy,  
Middle of the winter when  
The winds are sharp and blowy!

Presidents' Day in February  
Always sets me thinkin'  
About our special pair of heroes:  
Washington and Lincoln!

February, what a month!  
Filled with lots of cheer now!  
Will you be my Valentine?  
Valentine's Day is here now!
