

# Friends

A friend can be someone your age, a relative, even a teacher. Fill in the web with words or pictures that tell about one of your friends.

This is what my friend looks like.

This is my friend's name.  
\_\_\_\_\_

This is a place where my friend and I like to go.

This is what my friend and I like to do together.

Circle the words that describe your friend.

kind                      fun

caring                      helpful

## Friends

### Read the story.

Sam and Tom are friends.  
Sam has a new bike.  
He likes to ride.  
Tom is sad.  
He does not have a bike.  
Sam lets Tom take a ride.  
That's what friends are for.

### Answer the questions.

1. Who are the friends?

\_\_\_\_\_
