

## **Making a Volcano**

### **You need:**

**Measuring cup**

**1/4 cup baking soda**

**1/2 cup water**

**1/2 cup vinegar**

**1/4 cup dishwashing soap**

**open can**

**pitcher**

**large spoon**

**red food coloring**

- 1. Make a volcano from the can. Put something under for the over flow!**
- 2. Put the baking soda in the can.**
- 3. Mix the water, vinegar, soap, and food coloring in a pitcher.**
- 4. Pour the vinegar mixture into the can and watch the eruption!**
