Old MacDonald's Vowel Farm Emergent Reader

Thanks for downloading this reader! I hope you can use it in your classroom. Feel free to share with others but please do not resell it in any form. Thanks!

To prepare:

*Print pages 3-9. Place the booklet pages in a pile and cut across the center (dotted line on cover page). This will create 2 readers. Staple and you're ready to go!
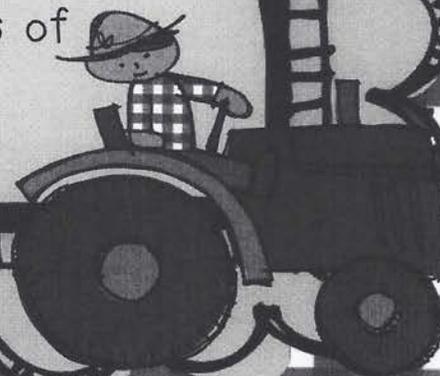

*Page 10 is a one page summary of the book. My students place it in their poetry duo-tangs for home practice. They keep the readers at school in their Book Bags.

* Page 10 can also be enlarged for shared reading practice.

Note:

To ensure mastery of the short vowel sounds, I have my students make the vowel sounds rather than saying the names of the vowels.
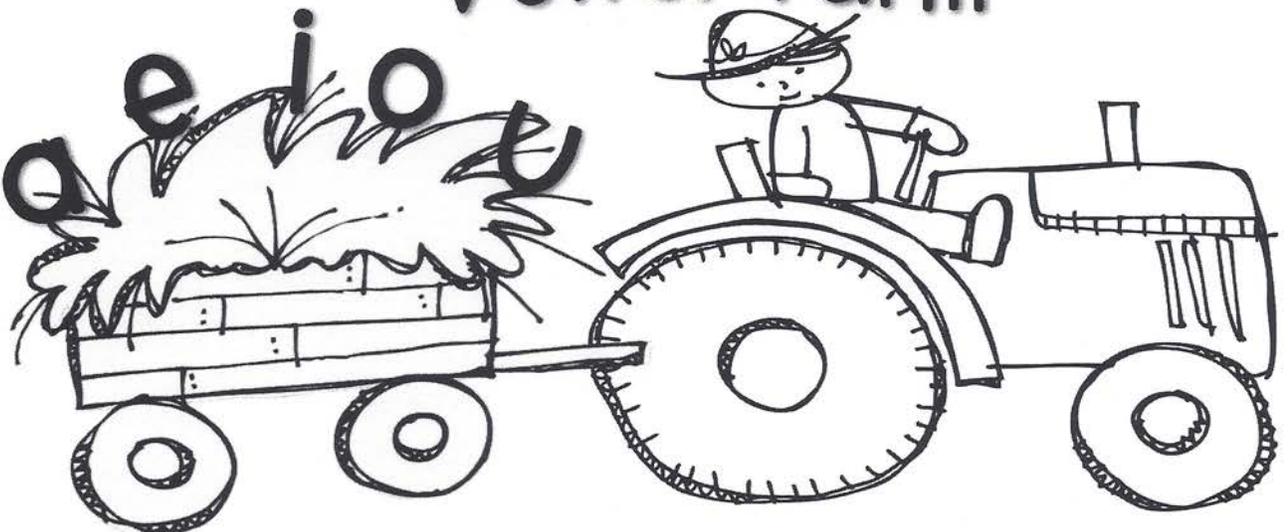

Warm Regards,
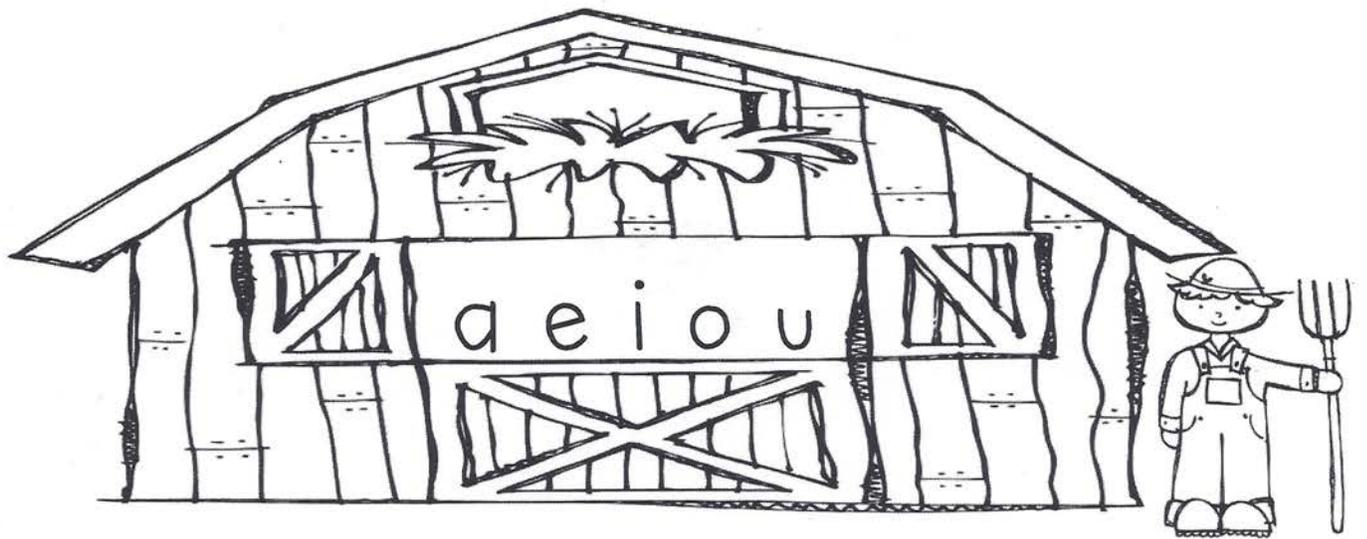

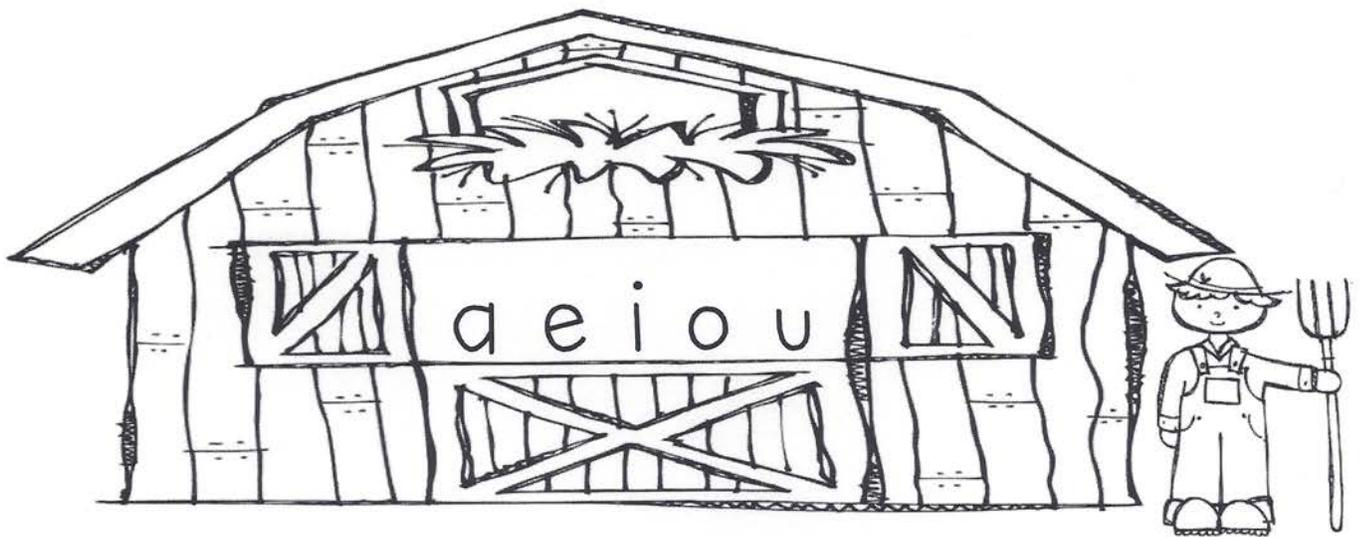

Donna Coleman

# Old MacDonald's Vowel Farm

a e i o u

Name: _____

Old MacDonald had a farm.
