PUFF THE MAGIC DRAGON

by Peter Yarrow and Lenny Lipton

Celebrate 50 years of Peter Yarrow's beloved children's song, by introducing your young readers to a world filled with gorgeous artwork, a familiar story and a friendly dragon.

Before you read:

Introduce the book and tell the children a little bit about it. Follow that with a comment or question that is related to the story such as, *What would you do with a dragon?* Encourage a discussion so the children can comment, ask questions, and express their feelings. Set the stage for listening by asking an "I wonder" statement based on the cover illustration.

I wonder if a dragon came to my neighborhood, would I be scared or excited?

While you read:

Encourage the children to comment on the illustrations, ask questions, and predict what will happen next in the story. Children gain confidence and a sense of achievement through being able to correctly predict how a story will end. Point out "rare words" (e.g., those words that are not commonly used in every day conversation) and help the children relate the meaning in a way that makes sense to them.
