

Name _____

Study Point #1**CHAPTER CHART**

This simple chart can help you remember what you read. As you read an assignment, write a question for each page in the space below. Record the page number where the answer can be found. Then write the answer. When you've finished reading the entire assignment, write a few sentences telling what you learned in the summary space. What an easy way to study!

Study Point #2

Page Read	Question	Answer	Page Number of Answer
Summary:
