

FIGURES AND FACES

Flower Faces

Task 90

Materials: heavy cardboard box lid, crayons, scissors, sucker sticks or plastic straws, glue, old magazines, a nail, construction paper.

DIRECTIONS

1. Color cardboard box lid to represent dirt or grass.
2. Use a nail to punch holes for flower stems.
3. Cut straws or sucker sticks to different lengths, glue into the holes.
4. Use bright construction paper to make flowers, leaves. Glue to stems.
5. Either cut faces from magazines or draw your own. Glue to center of each flower
