

Project: Personalized Banks (Courtesy of Mrs. Eva Whynott, Pack 60
Den 4, North Bay Council, Saugus, MA)

Materials: Cocoa box
White glue
Small shell macaroni
Spray paint

- Instructions:
1. Make a coin slot in the bottom of the cocoa box with a screwdriver and hammer. (Make sure no sharp edges are protruding up). This is now the top of the bank.
 2. Starting at the bottom of the bank glue in shells. Stagger each row coming up the bank to approximately 2" from the top.
 3. Glue on six 1 1/2" long strand of spaghetti for name plate.
 4. Using alphabet macaroni glue on macaroni glue on name desired.
 5. Continue gluing on shell until complete bank is covered, leaving only the coin slot open.
 6. When glue is dry, spray paint desired color.
 7. Using another color paint, paint over letters of name.
