

PAPER CONSTRUCTION

Placemat

Task 34

Material: large construction paper, scissors, single edged razor blade, shellac, ruler.

DIRECTIONS

1. Measure a one inch line completely around large construction paper.
2. Draw lines $\frac{1}{2}$ inch apart down the length of the paper. Cut with razor blade.
3. Cut second sheet into $\frac{1}{2}$ inch strips.
4. Weave strips, under one, over next.
5. Apply two coats of shellac for place mat.
