

# FIGURES AND FACES

## Secret Face

## Task 93

Materials: Any round tube container, scissors, glue, any materials to add interest.

### DIRECTIONS

1. Decide (to yourself) which classmate will be your "secret model".
2. Use the round tube for the face.
3. Work independently and observe the expressions, hair coloring, eyes of your "secret model".
4. When each students has completed this task arrange the models on a table and have the class guess who each face is supposed to be.
