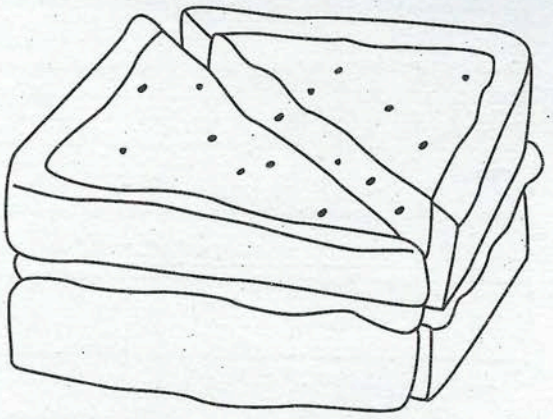
Name _____

if

Example:
If I had some bread, I could make a sandwich.



Trace and write the word. Say it out loud as you write.

if

Complete the sentence by writing the word in the blank.

The word _____ is a little word with a big meaning.

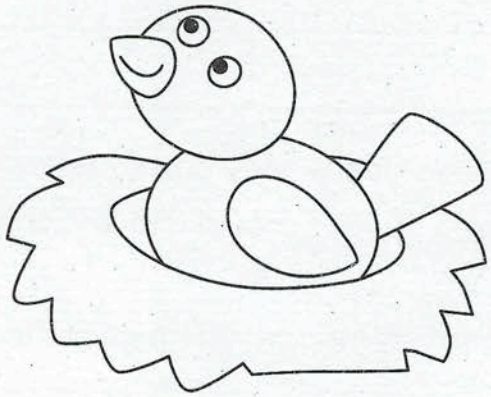
Write a sentence with the word **if**.

Put them together:

People get the words it's and **its** mixed up all the time. **If** they mean "it is," they should use "it's." **If** they mean something that belongs to something that is not a he or a she, they should use **its**. Even my dad makes this mistake sometimes.

its

Example:
The bird is in **its** nest.



Trace and write the word. Say it out loud as you write.

its

Complete the sentence by writing the word in the blank.

The chick flapped _____ wings.

Write a sentence with the word **its**.
