

Material: shirt board, scissors, glue, tissue paper or colored cellophane, black tempera, brush, thread.

## DIRECTIONS

1. Draw a picture or design on a shirtboard. Leave  $\frac{1}{2}$  inch between the different parts of the drawing. Cut pieces out.
2. Paint front side with black tempera.
3. Glue colored paper over holes on back side.
4. Place small hole in top center and hang the picture so that the sun shines through it.
