If winter in my town was hot,

I would wear my shorts a lot.

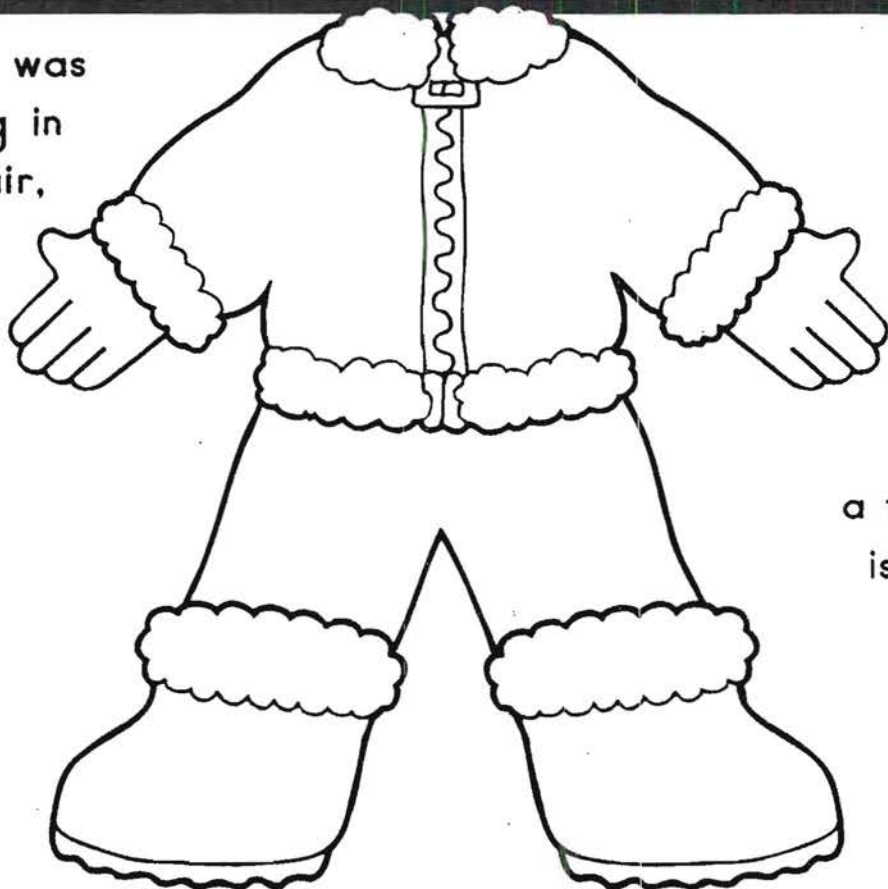

If winter brought  
rain from  
the sky,

I'd wear a  
slicker to keep  
me dry.

If snow was  
falling in  
the air,

a furry coat  
is what I'd  
wear.

Winter there.  
Winter here.

This is my own  
winter gear.
